Aiesec Intern – (18/06/2012 – 01/08/2012)

*Date: 01-08-2012*

The 6 weeks that I spent here at Handicapped and Mentally Disabled Children Association JB has become an unforgettable time in my life. I would like to take this time to thank Mr. Rajamanikam and all the staff members here for making my stay here very comfortable. This internship allowed me to have a practical application of the knowledge I acquired from books and professors. Each individual at this institution possesses unique talents and this home provides an environment where they can apply their skills and be themselves. The patients always put a smile on my face and kept me entertained; they also helped me learn about myself and further explore my interests. I am extremely grateful to have been given the opportunity and I will forever cherish every second spent here. I am going to miss everyone here and I hope that my life path will once again cross with this wonderful organization. Thank You!!
